

Samme Samuel

GHL Expert · AI Engineer · Data Analyst · Virtual Assistant

Yaoundé, Centre, Cameroon · Remote, worldwide · selangwe19u@gmail.com · samme-samuel.coreflareagency.com · [LinkedIn](#) · English · French

SUMMARY

Results-driven AI Engineer, GoHighLevel Expert, and Virtual Assistant building automation systems that save time and generate revenue. Hands-on experience across AI automation, CRM setup, cold email systems, and web development, helping entrepreneurs and agencies streamline operations and focus on growth.

EXPERIENCE

Virtual Assistant — VMedia

Sep 2023 – Present · Remote

Managing daily operations, client communications, and automation workflows for a digital media company.

- Built and maintained automated workflows using Zapier and Make.com
- Managed CRM pipelines and lead nurturing sequences in GoHighLevel
- Handled client onboarding, scheduling, and email management
- Created data dashboards and reports to track KPIs

Virtual Assistant — VMedia

Mar 2023 – Aug 2023 · Contract, Remote

Provided administrative and technical support during a period of rapid growth.

- Managed inbox and calendar for senior team members
- Conducted market research and compiled competitor analysis reports
- Assisted with social media scheduling and content publishing

Penetration Tester — Creative Relay

2022 · Internship · Cameroon

Cybersecurity internship focused on penetration testing and vulnerability assessment.

- Performed vulnerability scans on client web applications
- Documented findings and recommended remediation steps
- Assisted the security team with penetration testing engagements
